HONOR LEGION POLICE DEPARTMENTS STATE OF NEW JERSEY®

45 E 5th Street Paterson, NJ 07524 www.njhl.com "Finest of the Finest"

The Honor legion of the Police Departments of the State of New Jersey was incorporated on December 27th, 1966 with the mission of recognizing the "Finest of the Finest" for their devotion to duty. We are a federally recognized 501(c)3 charitable organization whose Executive Board members do not receive a salary or any tangible benefits for their service to the association.

In our **50+ years** of existence, more than **6000** law enforcement officers, representing agencies throughout the state of New Jersey, have been accepted into our organization. Each of them has met the standard of valor, as is defined in our bylaws. An explanation of how one can be granted membership into our fraternity, as well as an **application**, is included in this journal.

We are nonpolitical association that fosters and encourages many fraternal and charitable causes. Among those that hold a special place in the heart of our organization, are the **Tomorrow's Children's Fund,** The **Police Unity Tour**, and our own **Widows and Orphans Assistance Fund,** for which this benefit is held.

It has been a whirlwind of a Presidency so far and the preparation started years ago as I moved up the chairs of the Executive board. Last year, from the design, production and delivery of the 2019 courtesy cards to choosing the meeting venues and deciding which projects to continue. Implementing new ideas

to raise awareness about the New Jersey Honor Legion and the good, charitable things we do for the Widow's and Orphans of fallen officers.

This Presidency is something I have waited a long time for and am very proud to have achieved. This organization is run by the Executive board and I could not do what I have so far and plan to in the coming months without the help and dedication of each member of the board. Whether, active or retired they're all committed to the successful future of this great organization. I want to personally thank all of them for the hard work they do.

Without the brave men and women of law enforcement who faithfully do their jobs day in and day out regardless of the risk to themselves but with all the heart and fortitude to protect the public. It's what they believe in and why they proudly wear the uniform. When they are acknowledged by their peers, they proudly become members of the New Jersey honor Legion.

As long as there are police there will be a New Jersey Honor Legion for many years to come. The camaraderie and friendships that are developed over one's career is what helps us get through the tough times on the job and in life. The meetings allow members to get together and enjoy themselves while recognizing new members being sworn.

Also, the success of the Honor Legion is due to the many great men and women in the community who support us because they all have good hearts and love and compassion for the causes that the New Jersey Honor Legion is a part of. Without the support of our friends, family and Honored Citizens this organization would not be possible.

The President's Ball is our night to acknowledge everyone and have a good time while raising money through the ball ad journal for the Widow's and Orphans fund. I applaud each and every member, board member and supporter that has made this the great organization it is today and will be for years to come.

Fraternally 2019 NJHL President Thomas M. Panzarino

The Police Officers' Prayer to St. Michael

Saint Michael, heaven's glorious commissioner of police, who once so neatly and successfully cleared God's premises of all its undesirables, look with kindly and professional eyes on your earthly force.

Give us cool heads, stout hearts, and uncanny flair for investigation and wise judgment.

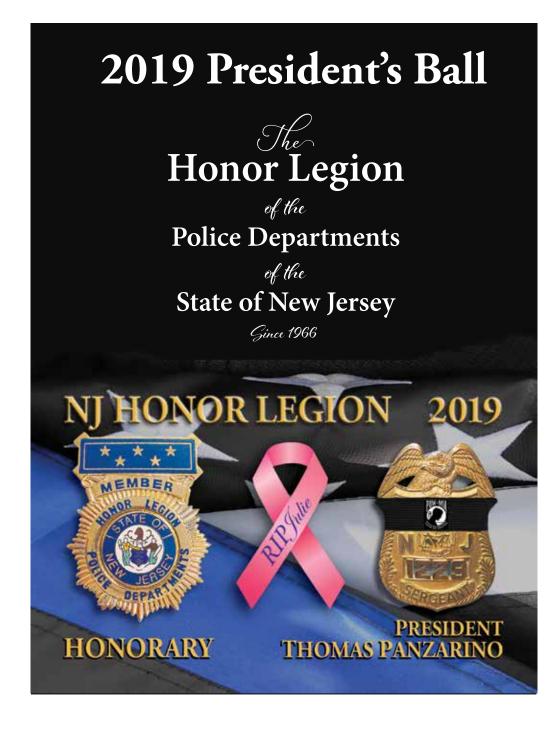

Make us the terror of burglars, the friend of children and law-abiding citizens, kind to strangers, polite to bores, strict with law-breakers and impervious to temptations.

You know, Saint Michael, from your own experiences with the devil that the police officer's lot on earth is not always a happy one; but your sense of duty that so pleased God, your hard knocks that so surprised the devil. And your angelic self-control give us inspiration.

And when we lay down our night sticks, enroll us in your heavenly force, where we will be as proud to guard the throne of God as we have been to guard the city of all the people.

Let Our Family Help Yours...

Pre-planning your own funeral is a great way to take some of the pressure off your loved ones when the time comes for them to deal with your loss. To many, pre-paying for a funeral before one is needed (pre-need) seems like a sensible idea. So if you are ready to think ahead, give us a call.

> Our family has served our community for three generations. Founder Joseph T. Bizub established Bizub Funeral Home at 205 Third St. in Passaic in 1923, and today, Tim and Toby with their dad Tom. The family now has three locations pictured below...

NOTES:

A nother years President's ball has come and gone, I hope everyone who attended had a great time and left knowing that the New Jersey Police Honor Legion is dedicated to honoring all of the brave men and women of law enforcement and the families of fallen officers.

I have to thank all of the hardworking and dedicated board members again for getting the job done every month.

I am very proud of the ad journal book design and I owe it all to the new designer and coordinator we chose for this year, Alice Jurist. Alice is the loving wife of my friend and Honored Citizen Dave Jurist. David was instrumental in my wife Julie getting the best possible care at Hackensack University Medical Center during her battle with cancer.

In closing I could not have gotten to this point as President of the New Jersey honor Legion without the support and confidence of my loving wife Julie who was there with me every step of the way. she'd always ask which meeting was coming up, a board meeting or general and say "Are you wearing the Monkey suit tonight"?

She loved the honor legion and especially the Christmas in July.

God Bless all of you and Stay well Stay Safe.

Thank You,

2019 NJHL President Thomas Panzarino
